"I am sorry, but the manager isn't in," the clerk told the pompous individual who had strutted in. "Is there something I can do for you?"

"No," snapped the visitor, "I never deal with underlings. I'll wait until the manager returns."

About an hour later the pompous one became impatient.

"How much longer do you think the manager will be?" he demanded.

"About two weeks," was the nonchalant reply. "He just left on vacation."
